

Cork stoppers and cork spouts

Wine corks

Our corks stoppers are made of catalan cork of the province of Girona (NE Spain), with high density and ideal for reserve wines.

They are cylindrical corks stoppers 54x24mm, 49x24mm, 44x24mm and 39x24mm in qualities: extra, first, second, third ... with sealing proces and any other quality that the customer needs.

We also manufacture corks stoppers with larger diameters (26mm, 28mm ...)

The corks stoppers are treated and ready for bottling in compliance with current regulations, inerted, packed in bacuum bags with SO₂, cardboard boxes, and these can be marked with the logo of the winery.

Conical corks

Conical shape corks to give a better adaptation and security. Reusable.
